

Trek Part

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over sixty years combined experience with successfully manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are committed to providing new design concepts and top quality in order to meet the diverse requirements of their clients.

TREK Cleaning Machines always offers fresh design concepts as proven in their product development. They like offering products that energize both their dealers and their partners and provide production gains to their customers.

The TREK team of workers likes new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and needs along with their understanding of cleaning applications, along with owners' strong desire to dramatically lessen cost through productivity gains.

The employees at TREK and their dealer-partners are really dedicated to having both parts and technical support accessible when it is needed. Their high service commitment is one of the core values in their customer service. Keeping their customers' cleaning machines functioning and ready on a daily basis is top priority. The company's top of the line technology delivers reliable equipment which ultimately reduces your cleaning cost. The price, the service and the product all work together to be able to make them an industry leader.
